THURSDAY, AUGUST 2 • 11:30 A.M.

Tickets are on sale now online, by phone, and in person at the Bessie K. Russell Library. Please visit hmcpl.org/tayarijones or call 256-532-5950 for more information.
Berachah Park

• Council approved the Civil Engineering design services contract with Johnson & Associates Consulting Engineers for the Berachah Park in April.

• Johnson & Associates has completed the schematic design for the project.

• Current plans include walking trails, a playground, senior exercise area, pavilions, and a multipurpose turf field.
JOHNSON GYM REDEVELOPMENT

- Council previously approved the Architectural Services contract with KPS Group, Inc. for the Johnson Gym Renovation February 2018.
- KPS Group, Inc. has completed the survey of the existing facility and is working on schematic design.
- Current plans include an indoor climbing wall, multi-functional exercise areas, sauna/steam room areas, and state-of-the-art interior finishes throughout the facility.
- The newly renovated building will include a memorial to Johnson High School.
- Estimated budget to be approved is around $6-6.5 million.
We have increased our sign enforcement and activity in the area to remove illegal signage. Our inspectors are working as a team to address this matter. The question was brought to our attention that some citizens would like to remove signs from the city right-of-way (ROW).

We appreciate citizens’ willingness to assist us with keeping Huntsville clean, but Zoning Administration is duly appointed by the Mayor and the City Council to enforce the ordinances related to the enforcement of signage for the City of Huntsville.

This appointment also gives us the authority to remove and dispose of any type of signage in the ROW without threat of violence from any persons that may have placed signs on city property. Any concerned citizen can assist our department by reporting the location of any signage that may appear in violation to Zoning Administration 256-427-5100. Please do not hesitate to contact Zoning Administration if you have any questions or concerns regarding signage.
Project Scope:

Project includes approximately 3.4 miles of new 4-lane service roads beginning near Pulaski Pike through North Parkway. Project also includes 1 mile of improvements along North Parkway to accommodate for this new intersection.

Current Status:

• Plans are approximately 90% complete
• ROW acquisition started in February 2017 (64 parcels to acquire)
• Estimate ROW acquisition to be complete late 2018.
• ROW Status- 64 tracts to be acquired. Appraisals are complete, with 63% in negotiations. 15 of these have closed.
• Anticipate construction mid 2019-Mid 2021 dependent upon ROW acquisition.
• Traffic control will have one lane in each direction along Bob Wade Lane during construction
• Project Cost Estimate: $30M
**Project Scope:**

Project includes approximately 1 mile of new mainline and service roads between Jonathon Drive and Stallworth Drive to include an overpass at Mastin Lake Road and sidewalks along each side of the service roads in this area. Project also includes an additional 1.5 miles of access improvements between Stallworth Drive and Winchester Road.

Upon completion of the South Park Overpasses and the Mastin Lake Overpass projects, the parkway will be continuous for more than 10 miles, from north of Meadowbrook Drive to Stallworth Drive.

**Current Status:**

- Plans are approximately 90% complete (recently added 5-foot sidewalks along both sides of road).
- ROW acquisition started September 2017. Early discussions have been had with affected businesses to help expedite.
- ROW Status-Appraisals are underway and affected property owners should start receiving offer letters in July.
- Utility companies are working on their relocation plans.
- Anticipate construction mid 2019-Late 2020 dependent upon ROW acquisition.
- Traffic control will be phased similar to other Parkway overpass projects. Two lanes of traffic in each direction will be maintained during construction.
- Project Cost Estimate: $34M
The City of Huntsville’s rating scale is from zero to 60, with zero representing the best conditions and 60 comprising the worst. The road’s condition, along with data on the volume of traffic, is factored into a combined score that determines the priority for resurfacing the street.

Phase One and Two have already been cleared by utilities, bid and under contract. Phase Three is currently going through the “vetting” process. Huntsville Utilities (Gas, Water, and Electric) and Water Pollution Control (WPC) are currently clearing this list for resurfacing. Once we get Phase Three cleared, we will bid.

For a complete list of roads scheduled for repaving visit the link below: https://www.huntsvilleal.gov/development/streets/repaving/
Plastic Cap Program for City Schools

Eight schools from District 1 participated in collecting plastic caps for the 2017-18 school year. In May, cash prizes were awarded. The eight schools in District 1 collected 5,180,270 plastic caps and earned $6,500 for their schools. Sonnie Hereford is a Hall of Fame school and collected over 3 million caps.

Programs in D1

- OGT supplied mulch for the DHR playground
- OGT supplied 25 litter themed gift bags for the Older Adults Weekend at Fellowship Church
- OGT participated in Earth Day celebrations at Toyota Manufacturing and spoke with 138 employees about programs and services offered by the City of Huntsville and Operation Green Team

Community Cleanup Events

(some of which completed the same day as A&M Day of Service but at other locations in D1). Locations such as Calvary Hills, Edmonton Heights, Showers Center, Terry Heights, and Friendship Center, etc.

OGT gave out the following:

- Pairs of gloves: 240
- Garbage bags: 693
- Pick-up sticks: 74
- Vests: 34
A&M Day of Service: 193 students participated in the following areas: Hollow Road Area, Old John High School Area, Stringfield Road Area, Mastin Lake Area, and East Huntsville Area. OGT gave out the following:
- Pair of gloves: 193
- Garbage bags: 480
- Pick-up sticks: 96
- Vests: 69

Street Sweepers: In March, April, and May, the street sweepers swept a total of 632.45 miles in District 1. The Street Sweepers only sweep main roads and try to keep the routes on two-week cycles.

Landscape Division
Rocks- picked up litter and cut
- Rough cut- approximately 136 linear miles cut monthly
- Roadside Pride- approximately 4,100 acres cut every two weeks
- Ditches- Approximately 600 acres in D1 sprayed and cut 2-3 times a year
- Ball Fields/Parks- 9 parks/fields that are cut and maintained weekly (fields lined for play if needed)
- Greenways- 1 greenway in D1 that is 1 mile long and cut weekly
- Fire Stations- 4 stations mowed, edged, and finished weekly in D1.

North Huntsville Clean Up Promotion: OGT staff delivered posters and flyers to the following D1 locations:
- Calvary Hills Parks
- Lakewood Park
- Dr. Richard Showers Park
- Mastin Lake Park
- Scruggs Center
- Pentecostal Lighthouse
- Hope Community Church
- Union Hill Primitive Baptist
- First Baptist
- G’ Country Kitchen
- Roller Time Skate Center
- Domino’s Pizza
- D1 Gas Station
- Huntsville Public Library
- Car United Auto
- New Life Seventh Day Adventist Church
- Faith Chapel
- Lewis Chapel/Good Shepard
- Exxon
- Mikes Mini Mart
- Family Dollar
- Valero (Mini Mart)
- The Redeemed Christian Church of God

Officer Dykes has been working with the Huntsville Police Department since May 1993. He has been awarded three Outstanding Unit Citations for his work as a School Resource Officer (SRO) and has served as Community Relations Officer (CRO) since March 2015.

In 2018, he was awarded the Military Service Award and has also received Letters of Appreciation and Certificates of Commendation over the course of his career. The City of Huntsville wishes him a happy retirement!
HUNTSVILLE CONNECT SERVICE REQUEST

Report a problem or submit a non-emergency service request to the City of Huntsville using Huntsville Connect from the convenience of your mobile phone or computer.

Report issues such as graffiti, illegal dumping or potholes, broken parking meters, or even a found pet. Photos are helpful! Reports of a sensitive nature may be submitted confidentially. You will be notified when your issue has been resolved, and you may track existing problems that have been reported.

Huntsville Connect uses SeeClickFix software to help citizens report and track their service requests via the web or mobile app: Google Play or iTunes for your iPhone Android, Windows Phone, or Blackberry.

To Report an Issue:

1. Select the Report an Issue tab
2. Type in the address/location of the service request or drag the map marker to the location of your issue
3. Click Next
4. Choose a service request Category from the drop-down menu that best matches your issue
5. Enter a Title, additional Description, and attach and Image if possible
6. Click Submit

* Emergency Requests - Please call 911
