

Huntsville City Schools Provides Free Curbside Meal Service During School Closure

In order to continue to support the well-being of our students, Huntsville City Schools began providing free lunch service today from 10:30 a.m. – 1:00 p.m. at all school locations.

Beginning tomorrow, March 17th through Friday, March 27th, free lunch service will be offered at the following locations between 10:30 a.m. – 1:00 p.m.

Participating school sites include:

1. Lee High School – 2500 Meridian St., Huntsville, AL 35811
2. Lakewood Elementary – 3501 Kenwood Dr., Huntsville, AL 35810
3. Morris Elementary/Middle – 4801 Bob Wallace Rd., Huntsville, AL 35805
4. Dawson Elementary – 5308 Mastin Lake Rd., Huntsville, AL 35810
5. Chaffee Elementary – 7900 Whittier Rd, Huntsville, AL 35802
6. Highlands Elementary – 2500 Barney Terrace, Huntsville, AL 35810
7. Sonnie Hereford Elementary – 2755 Wilson St., Huntsville, AL 35816
8. McDonnell Elementary – 4010 Binderton Pl., Huntsville, AL 35805

At each of these sites, the HCS Child Nutrition Program team will provide free Grab N' Go lunches for all youth, ages 18 years and under. This program is offered at no cost to all youth in our community.

We like to think of this as a drive-thru meal service to make it convenient for our families. Walk-up participants are also welcomed. There will be a separate meal station for the walk-up service.

We do want to remind our community that our school buildings will be closed beginning Tuesday, March 17th through Friday, April 3rd.
